CAREER OBJECTIVE

Current student looking to join the workforce to gain real-world experience. Ability to complete tasks on time in both individual and team settings. Responsible student with good judgment, time management and a flexible schedule. Aiming to leverage my abilities to successfully fill the vacancy at your company. Frequently praised as hardworking by my peers, I can be relied upon to help your company achieve its goals.

Apart from theoretical background, I have obtained practical skills during my final year project, which included website design and development. Fulfilled my final project by using Asp.net, MVC, SQL, JavaScript, and Ajax. Moreover, I have done mini project during my Master with React js, Next js and Mongo DB.
